

**Join us for the first dual CPE Nationals - June 15-17, 2012**

Due to back issues preventing me from making the 40+ hour drive to Washington (can't fly as I don't fly my dogs), it was discussed and decided to hold a dual National Event in 2012 – one on each coast!

There will be CPE Representatives who will officiate at the Washington event.

I shall greatly miss seeing my west coast friends and meeting new ones, but as it has been many years since the last west coast Nationals, and the survey numbers for 2011 showed the interest to have a west coast Nationals in the very near future, it was discussed and decided to give the dual Nationals a try.

I hope everyone has fun at whichever Nationals an entry is sent for!

Linda
