**By signing below:**

- \* I certify that page one of the application is complete, and the proper trial application fees are included, taking into consideration when CPE will receive the application due to mailing time. NOTE: If sending an overnight envelope, it must be Post Office to Post Office and the receipt signature waiver must be signed.
- \* I certify that a copy of the site description, including ring sizes (a drawing or grid must be included if there are unusable areas) is attached. I certify that a current proof of insurance (includes policy effective dates), is attached. The policy must show the club as the policyholder. Paid secretarial services may not submit their own insurance forms. NOTE: if the above are not included, the application will not be reviewed until received, which may result in late fees or a trial not being approved, due to application due dates.
- \*If any information on page two is not known at this time, I understand that an amended trial application must be submitted no later than 12 weeks prior to the first trial date.
- \* I understand that the classes, limits and the closing date cannot be changed, if less than 12 weeks prior to the first trial date, or if the premium has been approved and published – whichever date comes first.
- \*I understand that a premium must be submitted to CPE no later than 12 weeks prior to the first day of the trial. I understand that a premium cannot be published until CPE approves our premium draft (the premium must be emailed to CPE in WORD – version 98 or later, or in a pdf format), and the premium draft cannot be reviewed until any amended trial application information has been received by CPE. I understand that premiums are usually reviewed within a week of receipt by email at the CPE office.
