

CPE

Level 5 Tracking Sheet

Form is effective February 1, 2007 for Enthusiast and Specialist Individual Level Titles.
 Form is effective July 5, 2007 for Regular and Veterans Titles.
 See the Titles sections in the Rulebook for more information.

Record the information below for each qualifying leg earned. Include the points for cumulative lifetime points.
 There are no category titles in Level 5. See the rulebook for the Class Champion titles and requirements.
 Use a separate sheet for each height category: Regular/Veterans, Enthusiast, Specialist.

Enthusiast C-ATCH class exception: a dog MUST have a total of 40 legs made up of at LEAST the requirements from 6 of the 7 classes offered by CPE, PLUS any of the remaining 40 legs required, due to any skipped class, that may be earned in any of the other 6 classes. See the rulebook for further details.

Specialist C-ATCH class exception: a dog MUST have a total of 40 legs made up of at LEAST the requirements from 5 of the 7 classes offered by CPE, PLUS any of the remaining 40 legs required, due to any skipped class, that may be earned in any of the other 5 or 6 classes. See the rulebook for further details.

Once the requirements for a respective class are completed in a level, a dog may move up to the next level in that class, however, he/she **MAY NOT** return to the previous level in that class if a Qualifying score has been earned. (See rulebook for missed lead exception)

Standard Level 5 – 10 legs required
