

Level 4 Standard Qualifying Leg Transfer Form

This form is to transfer extra legs from level 4 standard to level 5 standard within the same height category. This form must be received by email or mail at the address below no later than June 30, 2018 to be accepted for processing.

CPE is not responsible for forms not received (not all mail or emails are delivered), please send asap and check your online records a few weeks after sending to make sure we received the form.

Legs earned through April 30, 2018 are eligible, legs earned after that date must remain in level 4.

There is no fee for this transfer. Use one form per dog. Games legs are not transferable.

To determine if your dog has level 4 standard qualifying legs that can be transferred:

- Your dog has more than four legs in level 4 that have 5 faults or less, regardless of the earned date
- Only up to three legs can be transferred
- If a dog has not earned the level 4 standard title with the new requirements, legs cannot be transferred
- If a dog earned the level 4 standard title under the old requirements (eight legs), no extra legs can be transferred

Examples (Level 4 standard only, games legs cannot be transferred):

- Dog has three standard legs – no legs can be transferred; the dog can move to level 5 in standard.
- Dog has six standard legs – up to two standard legs with 5 faults or less can be moved, any earned date.
- Dog has ten standard legs – no legs can be transferred, title was earned under previous requirements, owner chose to remain in level 4 for extra legs.
