

Transferring Legs

**See “Transfers” on your member services page - link to the main page below.
<https://www.k9cpe.com/memberservices>**

The online transfer form must be used for any trials already processed and posted

per the date in the gray box on member services.

You may need to wait for a trial to be processed and posted to be able to create your transfer page to include ALL legs you wish to transfer.

Note: if renewal dues were NOT paid for the current year:

To transfer legs in the current year:

**Current year dues will need to be paid and the membership updated
(see the forms page, www.k9cpe.com, for a renewal form and membership information)**

OR

Wait until the following mid-January when all legs are updated for everyone for the previous year regardless if dues are paid or not for the previous year’s posted legs.
