**General CPE rules for entries/show site:**

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: [www.k9cpe.com](http://www.k9cpe.com). Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- Only CPE Judges can measure dogs.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

**Dogs in the ring, leashes, exiting the ring:**

- Effective January 1, 2022 – Dogs may run courses with or without one collar. Collars should preferably be quick release style, and may be flat buckle, rolled leather, or Seresto. No attachments of any kind are allowed on the collar.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may *not* be used to take a dog into the ring.
- All handlers have the choice to put their leash in their pocket or safely loop it around their waist or neck, it does not have to be out of the dog’s sight;

however, if the dog interacts with it during the run, it would be considered a toy and result in NT.

- Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

**Declared Training In the Ring (TIR):**

This Trial will offer Declared Training In the Ring. The handler has the option if they want to use a toy or training aid at any time during their run. The handler must approach the Judge during Walk-through or previously in that trial day for the Judge to approve the toy or training aid for use on the course:

- Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler it then allowed to have a reasonably sized, silent toy/aid with them for use once their run has started (toy must be approved by the Judge of record PRIOR to the start of the class to determine eligibility – absolutely no food/scents/audible devices).
- Approved toy is NOT allowed to be used in either gate chute or prior to the previous dog leaving the ring.

See the online rulebook or current member letter for additional rules.

The following items *are* considered training in the ring (See Fix and Go):

- Violating the 4 paw safety rule (directing the dog back onto the contact)
- Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- Putting the dog back on the table in the point games

**While running on course:**

- The handler will direct the dog through the course without a collar or lead.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

**Questions?** See the rules page on the website, [www.k9cpe.com](http://www.k9cpe.com) or your printed rulebook. If you have further questions, email CPE
