SOME HOTEL COURTESIES TO OBSERVE There are very few motels in the area that accommodate competitors and their dogs. Please use care with your dogs in these motels.

- ✦ Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.
- ✦ Make every effort to have your dog free of fleas BEFORE arriving
- ✦ Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Remember that your motel is an extension of the show site. You must clean up after your dog.
- ✦ Don't leave your dog(s) unattended. If you must leave, either take them with you or leave them crated. Even the best dogs(s) can get carried away having fun in a motel room without you present. We WILL request reports from the motels as to the behavior of agility guest and their dogs. Please be respectful of your motel neighbor

NO DOGS MAY BE LEFT AT THE SHOW SITE OVERNIGHT.

General CPE rules for entries/show site:

Dogs must be at least 15 months or older the first day of the trial

Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.

Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.

Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.

Only CPE Judges can measure dogs.

Electronic shock collars are not allowed at ANY CPE trial – training or bark.

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.

Leashes may not have anything (other than name/license tags) attached to them when used in the ring.

Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may not be used to take a dog into the ring.

Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.

Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

There is no training in the ring at a CPE agility trial. First offense will result in an excusal from the run. Further offenses will result in additional excusals for the day/weekend per the judge’s discretion. This is for the safety of the dog.

The following items *are not* considered training in the ring (also see FEO):

Dog grabbing it’s leash at the end of a run (if the run has not yet ended, the dog would receive an NT)

Asking the dog once for a sit or down on the table in the point games (asking more than once will be a delay of finish, 5 faults/points)

The following items are considered training in the ring:

Violating the 4 paw safety rule (directing the dog back onto the contact)

Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)

Putting the dog back on the table in the point games

While running on course

The handler will direct the dog through the course without a collar or lead.

Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.

The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, email CPE – cpe@charter.net.

No changes to trial results will be made once the trial has been completed – handlers are responsible for the accuracy of information in their confirmation from the trial secretary (dog's info, level, height category and/or jump height, etc), prior to running in a trial, and for reporting any discrepancies of posted results prior to leaving the trial site each day. This also includes if there was a correction to a scribe sheet – the handler must verify that the results were corrected as well.

IAS information

We are VERY fortunate to have use of Indoor Action Soccer dome in Greenfield, MA, for this trial and want to be sure and *follow all rules* of the facility so we are invited back for more agility trials in the future.

- 1) The facility will not open until 7am each day.
- 2) There is plenty of parking, but please heed any parking directives.

- 3) There are 2 ways to enter – through the lounge which gives access to the building through a revolving door **OR** through the airlock door (garage sized doors) which will be run by an IAS staff person all day. The air lock door is best for carrying in crates, chairs and other gear. You and dog walk through exterior door which is closed before interior door is opened for direct access to dome. This is necessary to keep the building pressurized. Do **NOT** use any of the emergency exit doors.
- 4) Plenty of crating in the dome – PLEASE BRING a tarp to put under your crate.
- 5) There is no spitting allowed (we will have spitting police), no food and no drinks other than water allowed in the dome. Food and drinks allowed in lounge area.
- 6) An IAS staff person will be on hand ALL DAY to run the air lock entry and exit and to answer any questions about the facility.
- 7) CLEAN UP is a must. You will be dismissed from the site if you do not pick up after your dog.
- 8) Dogs must be leashed at all times when not competing.
- 9) NO SMOKING in the building.

REMEMBER: THE building will NOT be opened until 7am as an IAS staff person needs to do this and will be in attendance at 7am and throughout the day.
