General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run, and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- Only CPE Judges can measure dogs.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- Dogs can now run with or without a collar. Collars should preferably be quick release style, a flat buckle, rolled leather, or flea prevention. No attachment of any kind is allowed on the collar.
- Handlers may carry their leash with them on the course – if done so the leash must be out of sight or clipped around the shoulders or waist.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

- Haute Dawgs will offer Declared training in the ring. The handler has the option if they want to use a toy or training aid at any time during their run, the handler must approach the Judge during Walk through or previously in that trial day for the Judge to approve the toy or training aid for use on the course.
- Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler is then allowed to have a reasonably sized silent toy/aid with them for use once their run has started (this toy must be approved by the Judge of record PRIOR to the start of the class to determine its eligibility, absolutely no food/scents/audible devices). The toy is NOT allowed to be used in either gate chute or prior to the previous dog leaving the ring.
- See the online rulebook or current member letter for additional rules.

The following items are considered training in the ring (see Fix and Go):

- Violating the 4-paw safety rule (directing the dog back onto the contact)
- Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- Putting the dog back on the table in the point games

While running on course

- The handler will direct the dog through the course without a collar or lead.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, check the CPE Contact Us page: <http://www.k9cpe.com/contact.htm>

- c **Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee.**
- c **It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.**

- c **Exhibitors are responsible for complete, accurate, and legible information on the entry forms: illegible or incomplete entries cannot be entered in the show.**
- c **Any corrections requested by an Exhibitor at the show to jump heights, levels, category or classes entered are subject to a \$5 correction fee. This fee will be donated to a local dog charity. An exhibitor that does not wish to pay this fee can choose not to do so and the club will then not be responsible for them being in the wrong height, category, level or classes that may have been requested. Correction to jump heights due to measuring in at a different height are not subject to this fee. We urge all our exhibitors to carefully check their confirmations. Errors on either the part of the exhibitor or the trial secretary can happen. It is ultimately the exhibitor's responsibility to be sure they have a correct confirmation by the final move-up date of a show.**

See the forms page at www.k9cpe.com, for the CPE Entry Explanation page if you have questions about entering a CPE trial for levels, jump heights and height categories.
