Your help is needed to hold a successful trial. We are asking all entrants to help with *just one thing* each day (of course, we'll definitely let you do more if you want to). The types of jobs are listed below. Don't worry if you don't know how to do a job! They are easy and we can show you how!

Every worker will receive a \$1.00 voucher for Workers only raffle or for next year's trial.

To sign up for a job, just locate the white boards towards the front of the rings and write your name in where you would like to work. **Please sign up as soon as you can and arrive at the appropriate ring when the class starts**, as it allows us to keep the trial moving along.

General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- Only CPE Judges can measure dogs.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may not be used to take a dog into the ring.

- Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.
- Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

There is no training in the ring at a CPE agility trial. First offense will result in an excusal from the run. Further offenses will result in additional excusals for the day/weekend per the judge’s discretion. This is for the safety of the dog.

The following items are not considered training in the ring (also see FEO):

- Dog grabbing its leash at the end of a run (if the run has not yet ended, the dog would receive an NT)
- Asking the dog once for a sit or down on the table in the point games (asking more than once will be a delay of finish, 5 faults/points)

The following items are considered training in the ring:

- Violating the 4-paw safety rule (directing the dog back onto the contact)
- Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- Putting the dog back on the table in the point games

While running on course

- The handler will direct the dog through the course without a collar or lead.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5-fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, email CPE – cpe@charter.net.
