General CPE rules for entries/show site:

Dogs must be at least 15 months or older the first day of the trial

Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.

Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.

Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.

Only CPE Judges can measure dogs.

Electronic shock collars are not allowed at ANY CPE trial – training or bark.

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class.

A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

Dogs shall run without anything attached to its body except for a collar as described below. This is for the safety of the dog. This includes no: stitches, wraps or any other item. The only other exception is a small barrette or rubber band to keep hair out of a dog’s eyes.

Effective January 1, 2022. Handlers have a choice regarding dogs wearing collars. Dogs may run courses with or without one collar. Collars should preferably be quick release style, and may be flat buckle, rolled leather. No attachments of any kind are allowed on the collar. Flea and Tick collars are permitted to be left on, but the dog may not wear an additional collar if this is worn.

Dogs running with loose attachments (tags etc.) on a collar are to be immediately NT’d and their run ended. If this is noticed prior to the run commencing they must remove the collar in order to run.

LEASHES: All handlers have the choice to put their leash in their pocket or safely loop it around their waist or neck, it does not have to be out of the dog’s sight, however, if the dog plays with it during the run, it would be considered a toy and result in an NT. If the handler cannot carry their leash, leashes should be dropped on the ground/floor at the start line and

the leash runner will pick it up with a gripper device and place it at the exit gate on a chair or the ground/floor. Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

LEASHES: Dogs may run courses with or without one collar.

Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Declared Training In the Ring

We, Artful Dodgers, will offer Declared training in the ring. The handler has the option if they want to use a toy or training aid at any time during their run, the handler must approach the Judge during Walkthrough or previously in that trial day for the Judge to approve the toy or training aid for use on the course.

Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler is then allowed to have a reasonably sized silent toy/aid with them for use once their run has started (this toy must be approved by the Judge of record PRIOR to the start of the class to determine its eligibility, absolutely no food/scents/audible devices). The toy is NOT allowed to be used in either gate chute or prior to the previous dog leaving the ring.

See the online rulebook or current member letter for additional rules.

The following items are considered training in the ring (see Fix and Go):

Violating the 4 paw safety rule (directing the dog back onto the contact)

Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)

Putting the dog back on the table in the point games.

While running on course

The handler will direct the dog through the course without a collar or lead.

Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.

The handler may not carry anything that could aid the dog in its performance.

Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, email CPE – cpe@charter.net.

Run Safe, Have Fun, Run Fast, Run Clean!

PHILOSOPHY OF CPE:

For the dog and handler to have fun while successfully competing for performance titles as a cohesive unit, achieved through positive training and teamwork. Remember to do this in a friendly Environment As dog sports are very “social”, we are choosing not to use the term “social distancing” rather refer to it as “physical distancing”.

The guidelines below are effective through April 30, 2021 unless amended and/or posted otherwise.

It is not feasible for CPE to know of all local, state, and federal guidelines. The club and exhibitors need to stay current on those guidelines leading up to their event. Please be aware that currently, it is up to you to maintain physical distancing guidelines when catching up with friends and talking about the course etc. Not respecting the local, state and government guidelines can cause issues for the club and/or site. Be aware these precautions may lead to a longer day than previously experienced vs the entries received.

If you are ill, please stay home. If the club deems an exhibitor ill at the event, they have the option to excuse that exhibitor.

Make sure your dog is ok with people wearing masks. We do not want a dog becoming fearful due to something they have never seen before.

Some important details for now:

COURSE MAPS: Will be emailed in pdf format to you the evening before each trial day, usually by 9pm of the time zone you are in. Full size courses will be posted at the site as well.

LEASHES: Dogs may run courses with or without one collar. Effective January 1, 2022. Handlers have a choice regarding dogs wearing collars. Dogs may run courses with or without one collar. Do not loop leashes on the ring barrier.

RIBBONS: If you are not going to keep the ribbons, please do not take any – ribbons cannot be recycled at this time. People handing out ribbons should wear a mask and gloves, not touching anything else in the meantime. The club will announce a time/place when ribbons will be given. **Do NOT congregate in the ribbon area.** Be prepared to write on the title clipboard what ribbons you need if it's a fancy title.

No changes to trial results will be made once the trial has been completed – handlers are responsible for the accuracy of information in their confirmation from the trial secretary (dog's info, level, height category and/or jump height, etc), prior to running in a trial, and for reporting any discrepancies of posted results prior to leaving the trial site each day. This also includes if there was a correction to a scribe sheet – the handler must verify that the results were corrected as well.
