Coronavirus Disease 2019 (COVID-19) Statement – March 24, 2020

Dear CPE Members, Host Clubs and Judges,

Based on the most current information, all CPE trials through April 13, 2020 are cancelled.

This decision was made due to the increased directives from numerous local, state and federal governments as well as recommendations from the CDC.

Plaques that have not yet been processed from the last order, year end plaques and the scheduled April title certificate printing will be put on hold for the time being.

CPE will continue to monitor the situation as the safety for all is of the utmost importance, and any further changes will be announced if necessary. Be safe!

Linda Eickholdt
President
